

Fantasy Saddle Club - The Future

Vision statement

Fantasy Saddle Club aims to provide safe horse riding activities and services in a professional and welcoming environment.

Mission statement

To maximise the safety of clients, staff and horses by consistently applying appropriate risk management techniques and standards.

Goals/objectives

- Good reputation with the community
- Confident staff
- Less cost to the business in litigation, staff turnover and horse health

Action plan

Please note: This table does not include sustainability milestones as they are listed in the sustainability section above.
